

Our Favorite Things
35 Church Road, Bedford, NH

1. *We love sitting on the deck in our adirondack chairs, listening to and looking at the beauty of nature all around us: the sound of water falling from the stream into the pond, the birds chirping, the tall forest pines climbing to a bluebird sky, the hawks and falcons gliding above us.*
2. *We love driving through Bedford's beautiful historic district every day to our home. The white Presbyterian church at the corner of Church Road is breathtakingly beautiful, and we love hearing the church bell ring on the hour throughout the day. It's so quaint and charming.*
3. *We love cooking in our kitchen. It is the most efficient and well-appointed kitchen we've ever created! We love sipping a glass of wine and turning on the music while preparing dinners!*
4. *We love the coziness of our sitting room. We enjoy meals, doing puzzles, playing games, and reading there.*
5. *We love that we can have family and dinner parties in our dining room that comfortably and elegantly can seat up to 30 people. For us, there's nothing like being together in one space to enjoy special celebrations.*
6. *We love being so close to everything in Bedford while at the same time enjoying a property that feels like it takes us to a vacation destination every time we come up the driveway.*
7. *We love the comfort of our upstairs den. It's a bit of a sanctuary for us where we can change the scene from the activities of the day as we move into the quiet of the evening.*
8. *We love how this house brings the outdoors inside. With tall windows and expansive views on all floors, we are always connected to the natural beauty of the property.*
9. *We love that we can spread out and enjoy our hobbies here: we workout in our fitness room; my husband plays drums in our music room; we enjoyed a full-size pickleball court on our driveway which brought lots of fun and friends together; and my husband's shop brings hours of joy and creativity.*
10. *We love having shared wonderful times with our neighbors, Scott and Judy, who are so warm and welcoming. We will miss the impromptu cocktail hours around our fire pit.*
